welcome to wagamama

we're known for our benches but famous for our food. we've created the perfect minimalist eating environment, then filled it with the most free-spirited, expressive and adventurous japanese inspired, pan-asian noodle cooking you can find

we're not your conventional restaurant. we're unpretentious and informal. we celebrate those who adopt our open-mindedness in eating together. our food is cooked fresh to order and arrives as soon as it's ready and we don't expect you to wait for others before you start. we also like to slurp really loud - in fact it's expected!

if you're wondering what wagamama means. it's japanese for "naughty child". it describes us perfectly. a willful determination to be the opposite of ordinary

wagamama is a cashfree restaurant

our food

we are a pan-asian restaurant, inspired by japanese ramen bars. we freestyle with traditional noodle thinking, using the freshest ingredients and the tastiest of flavours. our iconic dishes set us apart, such as our yaki soba and ramen noodles, side dishes like gyoza and edamame and, of course, our fresh juices! we have lots more on the menu if noodles aren't your thing, try our curries or salads

allergies and intolerances

if you have food allergy, intolerance or sensitivity please inform your server upon arrival and they will be able to suggest the best dishes for you. please note, our dishes are prepared in areas where allergenic ingredients are present, so we cannot guarantee that dishes are 100% free from these ingredients. If you have any allergens, don't hesitate to ask our staff

we serve only msc-approved prawns and seafood
